WELCOME TO GREELEY !

Greeley, CO is at approximately 5,000 ft in altitude. Our dry climate, coupled with the altitude, can affect you greatly if you are unaware. Please use the following suggestions so you can enjoy your dogs, friends, and our shows to the fullest:

- Drink **lots** of water! Your body will dehydrate quickly, even though you may not notice your thirst until you are seriously dehydrated. Sodas, teas, juices, caffeinated drinks and alcoholic beverages are not as effective at rehydrating your body as water is.
- Wear sunscreen! Even if the day is cool and overcast, it's important to wear sunscreen. The worst sunburns can happen on cloudy, overcast days. Ultraviolet rays travel through clouds.
- Get plenty of rest.
- Use bug repellent with DEET to repel mosquitoes. Mosquitoes spread West Nile virus, which makes some people extremely ill. Remember that mosquitoes are more active early in the morning and in the evening.
- Did we mention you need to drink lots of water?

Remember that your DOGS need fresh clean water at all times, as well and can also be affected by the change of altitude.

Effective January 1, 2015 -- USE OF RAMPS: A CLARIFICATION

BACKGROUND The appropriate place to individually examine dogs during breed judging is designated by each parent club and AKC does not pre-empt their authority in this regard. **RAMP BREEDS** A judge requesting the use of a ramp must give reasonable notice to the show superintendent/ show secretary prior to judging. AKC approval is not required. Designated ramp breeds may be examined on the ground (table if applicable) or on a ramp during breed, group and Best in Show judging at the sole discretion of the judge, not the exhibitor. Examination for a breed must be consistent; therefore the entire entry in that breed is to be examined on the ground (table) or on a ramp. By Board approved policy, Basset Hounds, Bulldogs and Chows must be judged on the ramp in all conformation competition associated with AKC conformation dog shows or at which AKC conformation titles may be earned. This policy extends to Junior Showmanship, the 4-6 Month Beginner Puppy Competition, the AKC National Owner-Handled Series (NOHS), and all other special attractions that offer Group and BIS competitions. The list of Table and Ramp breeds can be found on the AKC Website under Conformation Judges – Announcements. **ALL OTHER BREEDS** Breeds not designated as either table or ramp breeds may only be examined on the ground. **EMERGENCIES** In emergency situations, with the approval of the Show Chair, breeds customarily examined on the ground may be examined on a ramp, not on a table. An emergency is defined as a temporary condition that arose immediately prior to or at a dog show. Convalescence from a medical procedure, illness and recuperation from injuries are examples of conditions that are not emergencies. The emergency use of a ramp may be allowed on a day and may be extended to include a cluster as well as judging either a group and/or Best In Show. (In all but emergency situations, the exhibitor has no recourse. In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund).

NOTE: RAMPS CAN BE USED IN EMERGENCY SITUATIONS TO JUDGE ANY BREED

PLEASE NO STROLLERS IN THE GROOMING AND SHOW AREAS.
