NATIONAL SPECIALTY BEER RAFFLE: Please join us in the first winner-take-all Beer Raffle to benefit SCOA and SROA at this year's National Specialty in Colorado!

We are asking each member to bring a bottle, can, or 6 pack of local regional craft beer made in their home state to the Specialty, to be donated to the Beer Raffle. **Raffle tickets will be available for purchase throughout the Specialty and each night during dinner. The winning ticket will be drawn at the Awards Dinner on Friday evening, June 7.** The winner must be present to win, and that lucky person will receive ALL of the beer! So join in the fun, bring your favorite local craft beer, and get ready to WIN!

RAINBOW BRIDGE: In the 2019 SCOA National Specialty Catalog, we would like to honor Spinoni who passed away during the last year. There is no cost for this Memorial Tribute. Please provide your beloved pet's registered name, call name, date of birth and date passed, and a short one-line loving memory or sentiment, with your signature. You may also include one picture to include in a video presentation that will be shown at the National.
