From the Irish Setter Club of America VC Program rules - GUIDELINES FOR CONFORMATION VERSATILITY JUDGING (VC ONLY)

Versatility Conformation judging should be based on the present Standard which emphasizes the make and fit of all the parts and over-all balance. You are not attempting to determine whether the dog is of championship caliber in conformation but whether the specimen reflects the qualities of a pure-bred Irish Setter. A Versatility Pass should be withheld only if you would withhold a ribbon at a regular AKC Breed Show. Dogs will be presented in a condition that will allow for the adequate evaluation of coat, color, structure and movement. Three (3) passes under three (3) different judges are required.

The judging will be guided by the following scale of points:

Head	20	Coat	5
Body	20	Size, Temperament and	
Running Gear	30	General Appearance	25
